Greetings Fresh Visions Family and Friends,

Certainly, these are unprecedented times we're living in and requires constant listening, discussions and learning as we hear more about (COVID-19) and its impact on our country and citizens locally.

The prescribed numbers have decreased as the guideline for indoor attendees given by health and government officials for the County and State. With this in mind, the leaders of FVCC along with counsel from medical professionals have concluded the health of all is the most important factor to be considered during these times. **Therefore, we are canceling our Wednesday (3/18) service and Sunday (3/22) services.**

As an alternative, **we do plan to provide an opportunity to worship via Facebook Live featuring songs of worship from our music ministry and a message from me. This will be at 11 am on Sunday (3/22) and we invite all to tune in and let's worship together via Facebook Live. It is also my plan to provide an outline for your Wednesday study as we continue in the series, "Understanding the Power & Purpose of Prayer".**

As we adjust to our new required temporary ways of worship and study, we plan to continue to minister to people within FVCC and outside of FVCC. With this in mind, thank you in advance for your continued prayers and financial support for our ministry. You have the options to worship in giving electronically through Givelify, mailing your donation to FVCC – PO Box 8653, Spfld, IL 62791 or have your funds sent by your financial institution to the same PO address.

Psalm 46:1-2a reminds us that, "God is our refuge and strength, a very present help in trouble. Therefore, we will not fear." Our decisions are not out of fear but with prayerful consideration for the wellbeing and quality of life for God's people.

Stay tune as we will keep you updated on our future services and plans!

Forever His,

Roy Newman, Senior Pastor
